Telecommunications Division
Massachusetts Department of Telecommunications and Energy
One South Station, 2nd Floor
Boston, MA 02110

Dear Ms. Mulqueen:

The purpose of this letter is to withdraw Verizon's request for a waiver of NANPA's decision to deny Verizon Massachusetts' request for 6000 numbers to permit Verizon to offer service to a large business customer made on May 8, 2005. Verizon's customer no longer needs a block of 6000 numbers.

Thank you for your assistance in this matter. Please contact me at 617-743-9250 if you have any questions concerning this request.

Very truly yours,

/s/ John L. Conroy
